

## I Wonder...WHERE IS GOD AND WHY DOESN'T HE FIX THE WORLD'S PROBLEMS?

**Read** the Bible passages aloud. Then, answer the questions together. Be sure everyone has a chance to speak.

*The heavens proclaim the glory of God. The skies display his craftsmanship. Day after day they continue to speak; night after night they make him known. They speak without a sound or word; their voice is never heard. Yet their message has gone throughout the earth, and their words to all the world.*

*Psalm 19:1-4, NLT*

*For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse for not knowing God.*

*Romans 1:20, NLT*

### **To Discuss:**

- How can the sky point to the existence of God?
- Without using words can we learn?
- How can the world around us teach us about God without using words?
- Is it possible for everyone to know that God exists?
- Take a look at a cell phone. It is complex and is capable of doing many things. With how complex a phone is, does it point to someone creating it?
- Look around today. Do the things around you, the sky, trees, plants and animals, point to someone creating all of it?
